The screenshot displays the 'Farmer Admin' dashboard. The top navigation bar is orange with 'Farmer Admin' on the left and a user profile icon on the right. A dark sidebar on the left contains a menu with various options, including 'DLSC Recommended Application'. The main content area is titled 'DLSC List' and contains two tables. The first table has columns for 'Application Type', 'Recommended Applications', and 'Sanctioned Applications'. The second table has columns for 'Application Type', 'New Applications', and 'Sanctioned Applications'. A blue arrow points to the number '5' in the 'Recommended Applications' column for the 'Fssm' application type.

New Ideas being explored

1. API integration for GSTIN for manufacturers registration to minimize fraudulent practices
2. Introducing Engine/ Chasis number-based verification before subsidy disbursement by Block Office/ District Office
3. Archived Data – Readily available Data/ Report for Govt. hierarchy for previous years
